## Membership Application

**Membership Requirements:** Membership with IAN is limited to men and women who have been recognized by the church, and other apostles, to have the gift and office of apostle and have been effectively using this gift for a period of time. IAN should not be considered to be an elite group; nonetheless, it has been established by apostles, solely for confirmed apostles. Membership is attained by official invitation only. Your completed **Application** and **(2) Reference Forms** must be submitted to the IAN office for prayerful consideration by the leadership. An Official invitation will then be extended.
